Sir,

Re Continuance of the Temporary Establishment sanctioned for the acquisition work in the Trust Board Office during the year 1946-47

---

With reference to your letter No L 13069 dated 23rd May 1946 on the above subject, I have the honour to state that with the discontinuance of the services of the part-time Land Acquisition Officer attached to the Trust Board, the clerical work in the office relating to acquisition work is not reduced thereby

As already pointed out in this Office No B2 C 1027/42-43 dated 17th April 1946, the number of pending cases of acquisition already sanctioned by Government is as heavy as 91, estimated to cost Rs.50,390/- In connection with shifting of Kurubarahalli Village, 75 properties are involved, estimated to cost Rs.37,000/- Further 24 schemes involving about 120 properties have already been sanctioned by the Board to be taken up next year, costing about Rs 2,20,000/- Further cases will also come up as necessity arises Before the Acquisition Officer inspects the spot, collect information and writes awards, the clerical staff in the office will have to attend to lot of correspondence, both with the owners of properties and the Municipality, maintain the necessary registers and help the Officer in several matters Hence the services of the ministerial staff cannot be dispensed with

In this connection it may be pointed out that the general acquisition works are ordered to be entrusted to the Special Land Acquisition Officer in future pending posting of a separate Personal Assistant, It is necessary therefore to continue the services of the two clerks attached to general acquisition section

P T O

section during next year also to help the Special Land Acquisition Officer.

I have the honour to be,
Sir,
Your most obedient servant,

Chairman.
